of Mysore Revenue and
General Departments.

Sir,

With reference to Proceedings of Government No. 2027-28 LRB(P) 460-1 dated 1st August last, I have the honor to solicit that the question of allowance to the District-Plague Officer be reconsidered. The work

of the Superintendent of Police of this District is not [illegible] light and the extra work that develves upon him in Connection with measures for preventing the spread of Plague requires more rapid travelling and Consequently more expence. I therefore Consider that it is only fair that the additional expenditure that the Superintendent incurrs should be made up to him, and it is this Circumstance that has induced me to submit the question again for the Consideration of Government.

I have the honor to be,
Sir,

Your most obedient
Servant
[illegible]
Deputy Commissioner

General No. 9932

Enclosure No.

His No.41 dated the 11th September 1901 stating that the addi-tional work which the Supdtt. of Police, Bangalore District, is called upon to do as the District Plague Officer, is very expensive and reques-ting to reconsider the decision as contained in the latter part of Govt Pro. No.2027-28-L.B.P.1460-1 dated the 1st August 1901 disallowing the grant to him of a plague allowance of Rs50/- per mensem.

With reference to the above has the honor to state that Govt is not prepared to sanction the allowance referred to above. The plague must be looked for as an evil which cannot be got rid of in a month or a year. Every Officer must therefore take

take it as a part of his duty to deal with plague matters earnestly and promptly. Allowances for such work, it is considered, are out of date.

By Order,
